

Circus and Pumpkins

Last month, we learned about the story of Noah and had fun with Farms. The Gilbert Fire Fighters came to visit and taught us about bike safety, pool safety and what to do in the case of a fire! We are so thankful for their service! This week we'll have fun with Circus activities and learning our songs for the Circus themed fall festival. Later in October, we will do experiments with pumpkins!

Please join us for the Fall Festival: Circus! This is a family event where everyone is invited! There will be games to play and our little clowns will perform at 6:45pm. Please use the preorder sale form for dinner tickets. This is such a fun night for the whole family!
