

Creation and Noah's Arc

Now that we are comfortable with the routine of preschool, we've started some super fun academics. In August, we began learning about how God created the Earth and everything in it! It's our job to take good care of it! This month, we'll plant in our preschool garden. Starting the second week in September, we'll learn about Noah and how he obeyed God. We'll apply the idea of obeying to our own lives! During Chapel, we'll even get to help Noah pack his suitcase! We'll learn about the animals boarding the ark two by two and count our friends, our eyes, ears, etc. by 2's.

Our homework calendars will start this month. This one on one time is precious and great practice for homework time in elementary school! Turn the homework calendars in to the office at the end of the month for a special prize. Look on the back of the newsletter!

Teachers are finishing the beginning of the year assessments and will have conferences this month. Please sign up for a time and let your classroom teacher know if you have any specific questions before the conference.

Please remember to sign your child in and out every day with your signature.

Special events this month: Grandparents' Day Breakfast, Conferences, and Firefighter Visit.

Lora Norris, Administrative Director
Adrienne Mesa, Educational Director

Grandparents' Breakfast

We love our grandparents so much and it's time to thank them for all they do! Our yearly Grandparents' Day Breakfasts are September 6th and 7th. Please see your teacher's weekly newsletter for your class day. Both breakfasts will be in the activity center from 8:15-9am. We'll provide a simple breakfast of small muffins and juice. If your child has specific dietary needs, please bring or send something appropriate for them to eat. Thank you!

Important Dates
