

## Welcome!

We're so excited to welcome you to the FUMC of Gilbert Preschool! Your child will make new friends, learn age appropriate academics and learn about God's love! Our themes for the fall will be: Welcome to School, Creation, Noah's Ark, Thankful for Fall, and Christmas, Jesus' Birthday!

Communication is extremely important as we partner along side each other to teach these precious preschoolers. Your child's teacher has a welcome letter included in this packet, and she will email a weekly newsletter once school begins. Each month, you'll also receive a school newsletter that will include important dates as well as suggested activities that will enhance the curriculum. Please read the updated school calendar included in this packet as some dates have changed. Don't hesitate to stop by the preschool office, call, or email with any questions!

We're so blessed to be working with you and your child this year!
