

God Cares for Us All !

The lost sheep, baby Moses, lions in the den, pets, you and me... God loves us all! This is a month full of bible stories! As we discuss the parable of the Lost Sheep, we'll relate it to our lives by letting the preschoolers know that each one of them is important to us, to the class, and to God. They are learning so much about who they are and how to be a good friend!

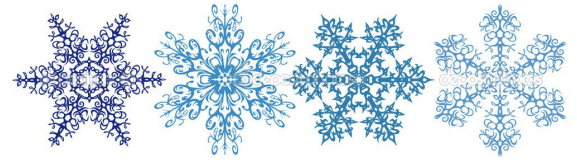

The children will have a special day this month to show their Dads how much they're loved. Dads, please bring your preschooler to Donuts with Dads on January 23rd or 24th. A breakfast snack will be provided in the activity center from 8:15-9am. Please see important dates for the day that your child's class will attend.

Missions

It's cold and flu season! This month we'd like to collect Clorox wipes and tissue boxes for a Title I school near us. The families in this school need our help to keep all the children healthy during these winter months. If you're able to contribute, please leave boxes in our collection bin in the office.

Thank you!
