

Healthy Heart Month !

After spending January learning about how God takes care of all of us, we'll talk about how to be healthy and helpful in the month of February. With Valentine's Day coming up, we'll all want healthy, happy hearts! There are many healthy foods and different ways to exercise. We'll brainstorm all our great ideas in class. Look for Valentine's Day plans in your classroom newsletters.

In chapel this month, we'll learn the stories of Queen Ester and the Good Samaritan. Queen Ester had to be very brave in order to help her people and the Good Samaritan helped someone when no one else did. Being brave and helpful are important traits that we can practice here at school and at home.

Lora Norris, Administrative Director
Adrienne Mesa, Educational Director

Love one another, as I have loved you. John 15:12
